

SPEEDY TABLES

With times tables more of a mathematical focus in many primary schools, this resource is meant to challenge pupils developing knowledge against the clock. The resource can be used as a whole class, small group, or individual practice sheet, helping improve on the times table being focused on. The resource is simple to use, with the challenge getting harder as each pupil progresses down:

SPEEDY TABLES

Name _____ Date _____

Times Tables to be practiced: Time:

10	4	3	2	5
9	8	6	7	6
11	15	12	20	13
16	14	7	17	½
19	25	0.5	50	1%
