The news in Sudan:

I just want to reach out to all our Sudanese families in our community. The current news is horrific – we are here for you if you need us.

**A message from Moira in the office:**

Have you heard of the Social Tariff Broadband deals? This provides reduced cost broadband deals for qualifying parents (benefits based) and can really help to save money without losing your broadband. Even if you are tied into a broadband contract and your provider does not do it they can switch to it and most companies do not charge for leaving. It is well worth looking into, I have put the Ofcom link below:

<https://www.ofcom.org.uk/phones-telecoms-and-internet/advice-for-consumers/costs-and-billing/social-tariffs#:~:text=Social%20tariffs%20are%20cheaper%20broadband,just%20at%20a%20lower%20price.>

Thank you so much for your lovely words about our recent Ofsted report. If you haven't had the chance to read it yet, it can be found on our website:

You will see that our EYFS is graded as Outstanding – it really is! We do have places available for September so if you know of anyone who may be interested in starting school with us in September, please send them our way. Many thanks.
