

Haseltine Newsletter – the final one of 2022-23!

Dear Families,

What a wonderful year it has been at Haseltine this year! I would like to thank each and every one of you for your continued support and kind words over the year – this truly is a fantastic community to work within. Thank you especially to you for sending your children to us, they really are amazing and I love being their headteacher.

Good luck and all the very, very best to all our families who are leaving us today. You have been such an important part of the Haseltine family and we will miss you lots. We wish you the very, very best for the future and remember that we are always here for you if you need us. Come back & visit 😊

We also say goodbye to some amazing members of staff who are moving on to new, exciting adventures: Ms. Leslie, Ms. Rawlinson, Ms. Scott, Ms. Jeremy, Ms. Carol & Ms. Brumby. We thank you so much for the time you have given Haseltine, we will miss you too.

For those of you coming back: I hope that you have a fantastic summer and we will see you all again on Wednesday 6th September.

Don't forget that the school day will finish at 3.25pm from that date (school start time is exactly the same). Nursery will continue to finish at 3.20pm so the Nursery Staff are asking for parents to pick up their nursery children BEFORE they pick up from the other year groups. Thank you.

Please, please remember that every day counts and please make sure that all children return on the 6th. You know that we will not authorise any holidays in term time. We need the attendance of every child to be above 95% by the end of the school year. Any day missed is a day where children are not learning – our curriculum 'moves' very quickly and a day missed means that your child has to catch up quickly, this will add stress to children too, so please really, really consider whether to keep your child at home. You know that we would notify you if we felt your child was too poorly to be in school.

Cultural & Community Celebration Event

What a lovely event we had this time last week 😊

Thank you so much to all the parents & staff who helped out at the event and to the group of parents who arranged everything so well. We raised £1491.69 on the day so thank you too to everyone who came and contributed to this.

I loved the music & the performances too, not to mention the very delicious food brought in by parents. Thank you everyone.

A MASSIVE thank you to all businesses and individuals who very kindly supported our Community and Culture Celebration on the 14th July 2023. We know times are very hard and we so much appreciate your help as we simply could not have done it without you!
