Spanish Progression of Knowledge and Skills

Intent (Aims)	All Key Stage 2 pupils will develop a genuine interest and confidence in Spanish, fostering a life-long curiosity and broadening cultural awareness which will lay the foundation for a love of language learning.
Pedagogy (How?)	The four key language learning skills; listening, speaking, reading and writing are taught and all necessary grammar is covered in an age-appropriate way across the Key Stage 2 Primary Phase. This enables pupils to use and apply their learning in a variety of contexts, laying down solid foundations for future language learning while also equipping them with the tools to use to improve overall attainment in other subject areas. Pupils progressively develop skills in foreign languages through regularly taught and well-planned weekly lessons in Key Stage 2. Pupils progressively acquire, use and apply a growing bank of vocabulary, language skills and grammatical knowledge organised around age-appropriate topics and themes - building blocks of language into more complex, fluent and authentic language.
